2010

PROFESSIONAL EXPERIENCE

Bovio Advanced Comfort & Energy Solutions

Vice President

Responsible for running daily operations of third generation, historically HVAC only contracting Business with 20+ employees. My main focus over the last four years was to launch our Home Performance business model, including:

- Start-up/Launch of -Audit, Plumbing, and Insulation Divisions to be able to provide the majority of Home Performance measures in house.
- Integration of HVAC, Audit, Insulation, & Plumbing divisions to embrace the whole house approach, and train respective staff to look at the house as a system, as opposed to a single trade approach.
- Have completed over 700 comprehensive projects through New Jersey Home Performance with Energy Star Program.

2004 - Present

State Street Inc. / PFPC Financial Services

Senior Mutual Fund Accountant

Responsible for daily and monthly processing of senior level mutual fund's entries, and coordination of resources with Fund Portfolio Manager.

2001 - 2004

INDUSTRY INVOLVEMENT

Efficiency First

National Chair, Board Member

Efficiency First is a national nonprofit trade association that represents its members in public policy discussions at the state and national levels to promote the benefits of efficiency retrofitting and to help our industry grow to meet unprecedented demand for quality residential energy improvements.

2010 - Present

ACCA (Air Conditioning Contractors of America) - NJ State Association

1st Vice President State Association

ACCA-NJ is a non-profit association serving 200 businesses in the NJ HVACR community, working together to promote professional contracting, energy efficiency, and healthy, comfortable indoor environments.

2010 - Present

EHCC (Eastern Heating & Cooling Council)

Vice Chair, Board Member

The Eastern Heating & Cooling Council is a non-profit educational organization comprised of HVAC contractors, distributors, manufacturers and other trade allies. Since its formation in 1990, the Council has provided quality technical training to the HVAC community throughout the United States, offering a large selection of courses and seminars.
